

# License Key Reset

If you are getting this error message when loading operations:

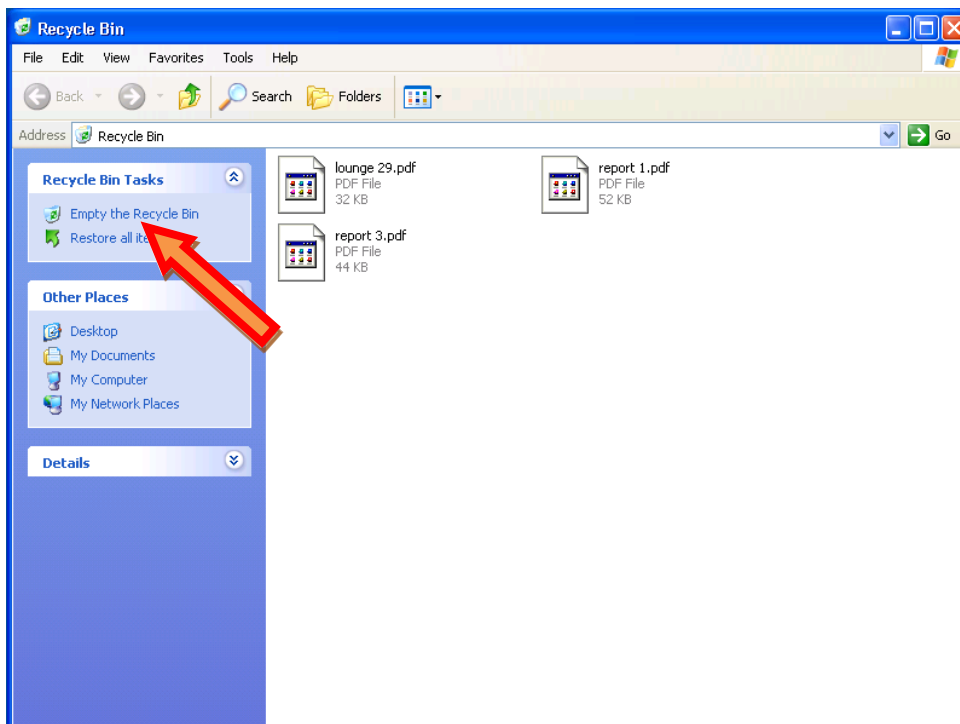

Do this:

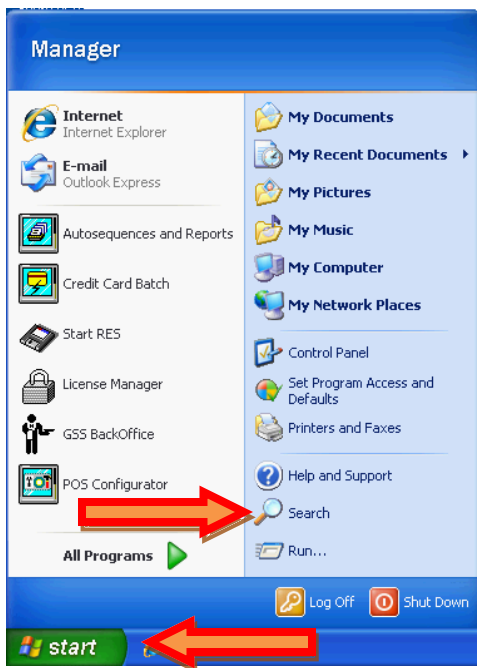

1. Empty the recycle bin.
  - Click recycle bin.

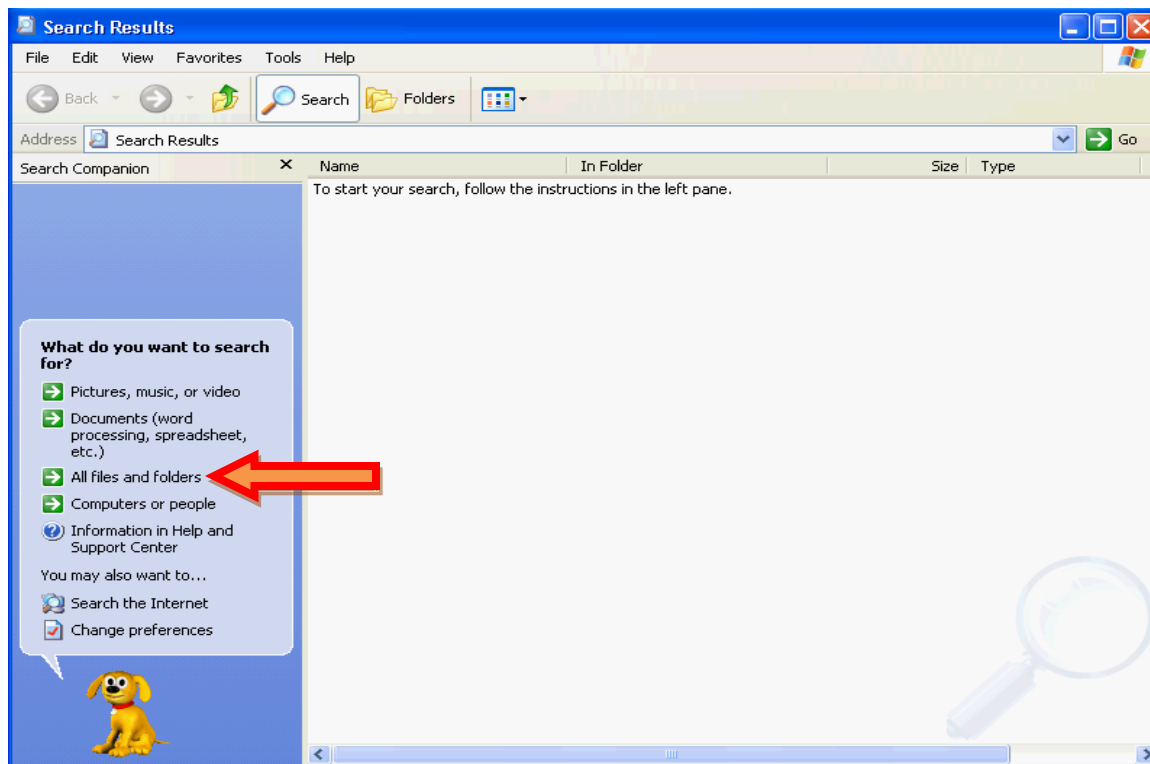

2. Click 'Empty Recycle Bin' and click yes on the 'Confirm File Delete' screen.

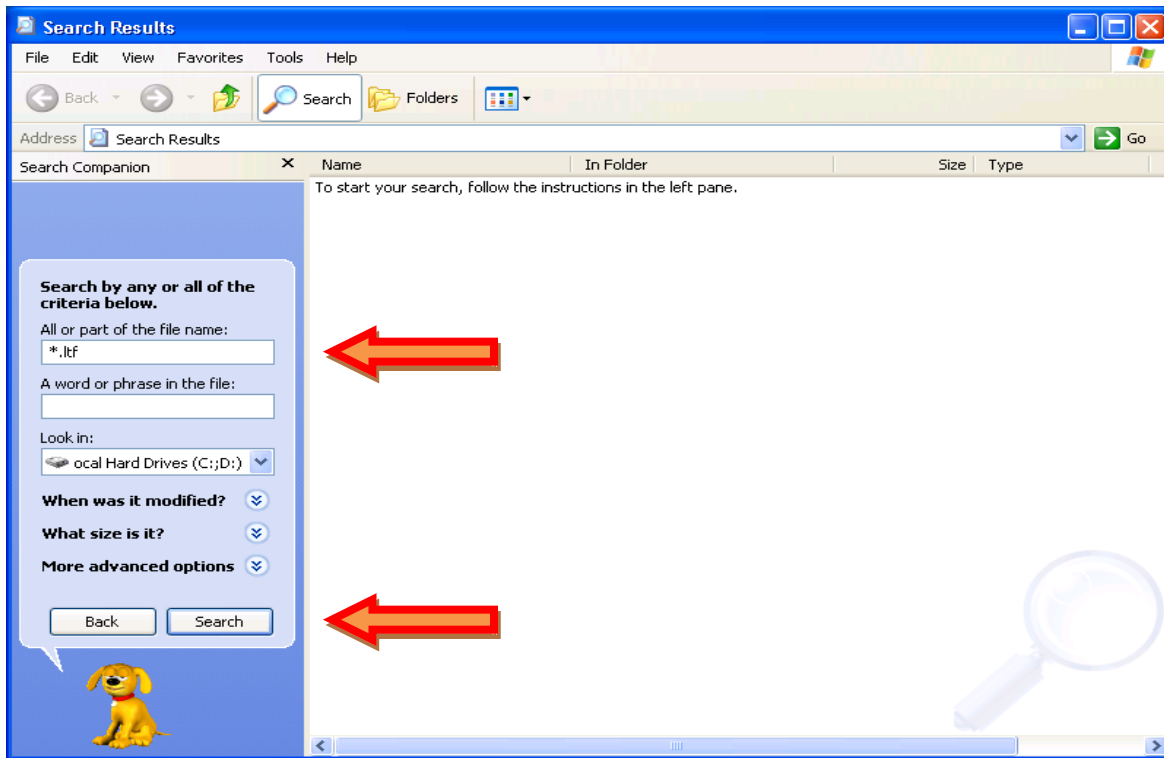

### 3. Click Start and choose Search.

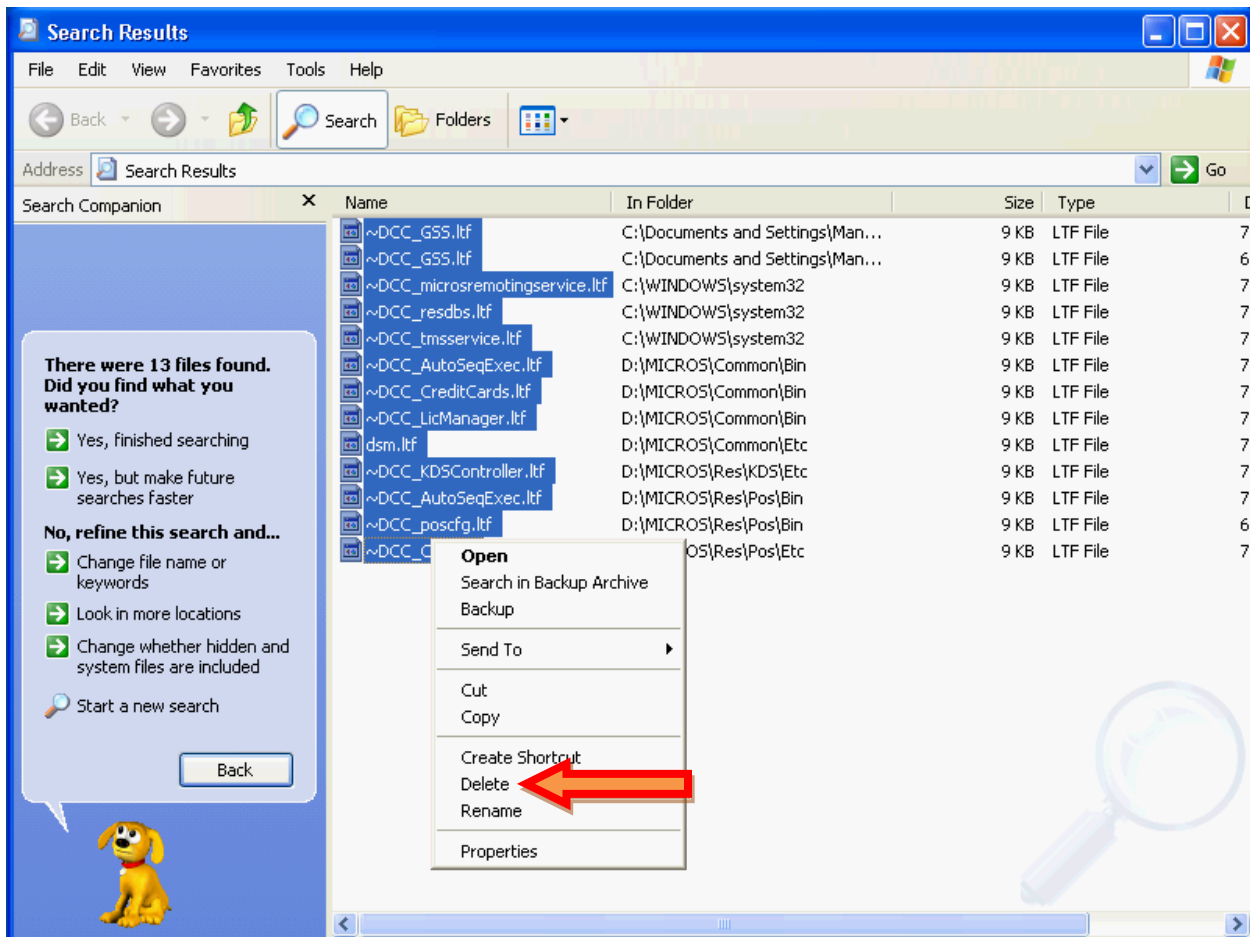

### 4. Click 'All Files and Folders'.

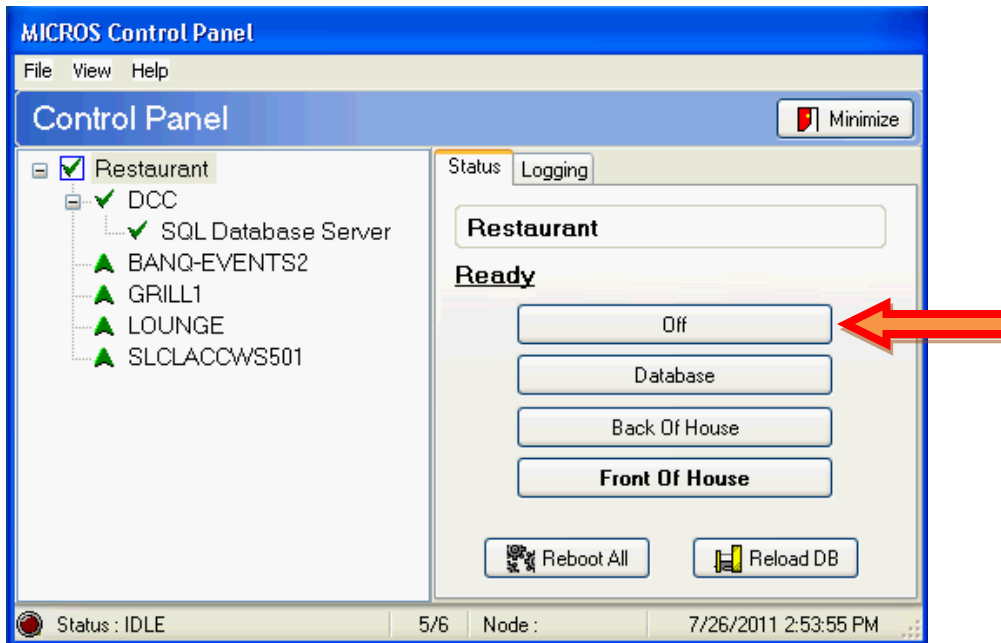

5. Type \*.lrf in the 'All or part of the file name:' box and click 'Search'.

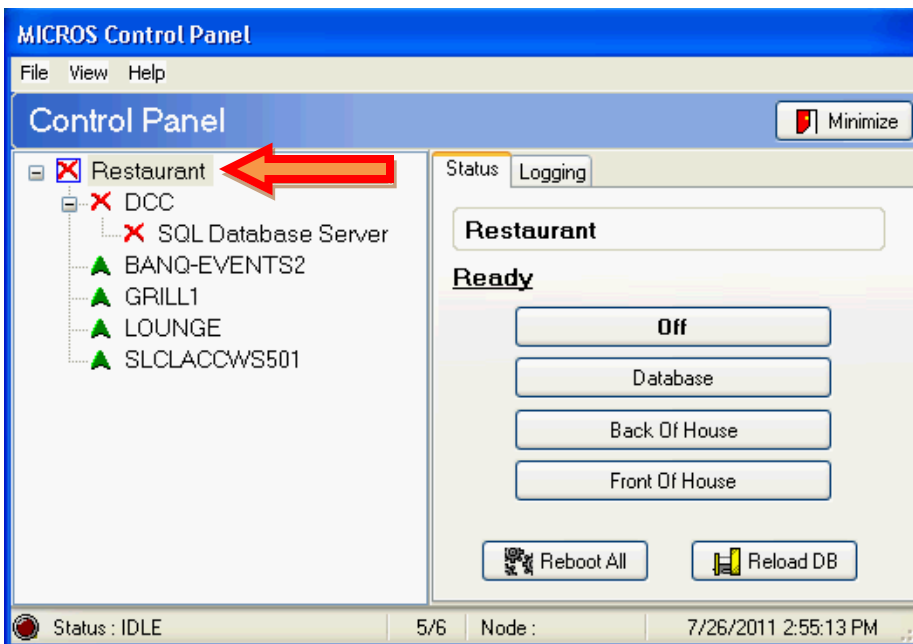

6. Once it has completed searching use key stroke ctrl+a to highlight all of the files. Right click on any of the files now highlighted in blue and chose delete. Say yes to the confirmations of deletion message.

7. Open the Micros Control Panel from the desktop and click off. Say yes to the confirmation message.

8. Once Restaurant has gone to a red X exit the Control Panel.

9. Click start then shutdown and choose the restart option and click ok.
